Bydgoszcz University of Science and Technology  
Faculty of Agriculture and Biotechnology  
Poland

University of Novi Sad Faculty of Agriculture  
Serbia

**cordially invite You and Your Colleagues.**

# **7<sup>th</sup> International Scientific Conference on Water „7<sup>th</sup> ISCW 2024”**

## **20-21 June 2024, Szarvas, Hungary**

The conference has been adapted to International Day to Combat Desertification and Drought (UN). The conference is an annual multidisciplinary platform for international scientific discussion on water in all respects. The event will contribute to the dissemination of knowledge and good practices. ISCW represents a good opportunity to exchange ideas, to strengthen and to create new academic networks, and to foster dialog between the academia, public institutions, the private sector and civil society organizations on the recent global and regional trends in water use.

### **7<sup>th</sup> ISCW will cover the following main thematic areas:**

- community water supply and wastewater treatment
- water management
- water use in agriculture (irrigation, plant production, animal husbandry, fisheries and aquaculture)
- water use in food and drink industry
- environmental protection
- climate change and natural resources management
- rural development and agro-economy
- water tourism, sports and recreation

**The official language of the conference will be ENGLISH.**

**The conference will be organized in HYBRID way.**

**Participation in the conference is subject to registration.**

**The registration fee:**

- **in person: 60 EUR**
- **online: 30 EUR**

**Participation is possible by giving a presentation or presenting a poster. The registration fee covers the following:**

- Full access to all Conference sessions
- Publication of full papers
- Refreshments in breaks
- Lunch
- Diner
- Field trip during the conference (optional)
